Congatulations to all Trophy and Medal Winners!

The 2011 Outdoor County Championship was shot in excellant conditions and brilliant sunshine for most of the day, the light breeze giving some small relief from the soaring temperatures.

Officiating for the first time at the County Shoot in her capacity of County Judge, Debbie Anderson, (ablely assisted by Field Captain, Arwyn Williams), was also Lady Paramount on the day.

Thanks are given to Debbie and Arwyn for well controlled and relaxed shoot, the working party, scorers & catering teams for all their hard work and providing the refreshments.

Finally, thanks to all the archers for shooting and their help, some excellent scores, personal bests and records - I hope we all had an enjoyable day!
