Shot in accordance with the GNAS Rules of Shooting. (Score addition errors have been corrected). This Result confirmation may be used to claim Club, County or Welsh Record which may have been broken, in conjunction with individual Club Record Officers – E & OE						Chris Brown Club Secretary - Pembroke C of A			

Despite weather warnings and a forecast of constant, all day rain, the majority of those entered made the journey and were on the line to shoot at 10.30am. The first round was shot in rain which eased as lunchtime approached. After lunch, the weather improved and much of the second round was shot in some sunshine – no rain!

Congratulations to all those who shot through the rain, those winning medals and also those claiming Welsh and County records. Thank you to all that were able to come, for the help with setting up and clearing away at the end of the day and raffle prizes donated.

Finally thank you to Debbie Anderson, Judge for the day, for keeping shooting moving along and spirits up!
