Apologies to Andrew Morris who was not included in the presentation on the day, due to an error he was entered in the Senior age group.

Sincere thanks go to:

- * The work party for setting up equipment on Saturday and taking it down after the event.
- * People helping on the day with scoring, teas-and-coffees and the raffle
- * The judges for officiating
- * and last but by no means least the archers for attending.

Without all of you there wouldn't be a competition.

Congratulations to those claiming a new county record.

Congratulations also to all those whose first official shoot this was, it's not the easiest indoor round and you all did well.

We hope to see you all again next year!
