-------------	----------------	-----	---	-----	-----------------

The Weather was mixed with the occasional shower and a gusty wind.

Well done to all those that are claiming new records and personal bests.

Many thanks to the line captains for looking after the event so well and to our Lord Paramount of the day, Mr. Ian McCloy for presenting the final awards.

Thanks should also be extended to the organisers including the working party, scorers and their helpers as well as the caterers, all of whom ensured that the shoot was well run and enjoyable.

Lastly thanks to all archers and their families for taking part in this event and making it the success that it was.
