All records should be claimed within 28 days of shooting and may be submitted for rounds equivalent to, or better than, the classification held by the Archer making the claim. Your club Records Officer will guide you on this. Claims may be submitted for rounds shot at both designated club target days and organised tournaments. In all cases shooting must have been conducted under the GNAS rules of shooting and the control of an appointed Field Captain or Judge. The Archer must have been a paid up member of the Dyfed Archery Association before the start of the event. Juniors must have been under the specified age on the first day of the event. Claims may be made for rounds shot at tournaments held outside of the DAA County, providing that the event is of sufficient status to warrant at least a County Judge. In these cases a copy of the official result should accompany the claim form.

Certification of Judge or Field Captain

I hereby certify that the above round/shoot was conducted in accordance with the GNAS Rules of Shooting.
