The weather was warm and mostly sunny with a variable breeze.

Thanks to our Lady Paramount for the day, Marian Howells, who not only doubled up as a field captain but also filled in remarkably well in the large gaps during the presentations!

Thanks to Arwyn Williams for being Field Captain with Marian, they both contributed a great deal in making the shoot run so well.

Thanks also to the caterers for providing the refreshments, and also to the working party for all their hard work.

A huge thanks to all the archers for making the day so enjoyable, I hope everyone had as much fun as I did!

Finally a large apology must go to Andrew Davies who not only scored a personal best as a junior shooting the york round, but also scored the highest recurve score for that round. All that to be left out of the presentations! Well done Andrew, keep it up!
